GENETIC REBELS

Dear friend

In I98I The oxidized look will be changed in some various ways :

I) it will be quarterly

2) the theme will be changed issue by issue

3) it will publish at the most 20 works

4) it will contain every reproducible form used by mail artists

FRANKENSTEIN FAN CLUB

I think that all this will be indispensable

I) to avoid the fossilization of my role ; now restricted only to receving and printing

2) to define more specifically the themes i want to use

3) to attempt to be as complete as possible mail art medium

The Oxidized Look will be printed in I00 copies and will be free for contributors and anyone else interested in the magazine.
